

ICO Agreement

That the company is offering you initial coin

The **Artisanal Miners** intends to sell tokens accordance with the Terms and conditions. The Term and Conditions set out in this document include:

1. Nothing in this document or any other material provided by the Company or its agents should be construed as a recommendation to purchase Tokens. Please seek independent advice.
2. By making Payment and/or purchasing or holding Tokens, you agree to be bound by the Terms and Conditions, unless a separate written agreement is entered into between you and the Company which expressly states otherwise. You agree that you have read and understood the risks as set out in the Risk Disclosure.
3. The Company does not take any responsibility, express or implied, for independently verifying nor for updating any of the above information sources and you should not assume that any of the information contained in them is necessarily accurate, complete or up-to-date at any given time.
4. You must read the entirety of this document carefully before making any decision to purchase Tokens. You must also monitor the <https://www.artisanalminers.io> web- site for any announcements from the Company as they may add to, or change, these Terms and Conditions at any time.
5. Tokens are only for sophisticated purchasers who are knowledgeable and experienced in the features and risks of digital platforms, digital assets, block chain technology and smart contracts. Potential purchasers should determine for themselves the relevance of the information contained in this document and related materials, in each case as supplemented from time to time, and the necessity for additional enquiry, research and professional advice. Any decision to participate in a token sale should be based upon such independent investigation and advice as you deem necessary. This document should not be considered as a recommendation by any person to participate in any token sale or digital platform.
6. It is the advice from the company that In particular, you should not purchase any Tokens unless you have read and understood this product.
7. **This document is not a prospectus nor a solicitation for investment and it does not pertain in any way to an offering of securities in any jurisdiction.** This document, the Tokens and the Token Sale have not been, and will not be, registered under any legal or regulatory regime, nor have they been reviewed or approved by any regulatory authority. The Company does not hold itself out as carrying out any regulated activity in any jurisdiction. Under no circumstances does this document or any other material constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be

unlawful. Tokens may not be purchased, held, used, offered, sold, transferred, distributed, delivered, re-sold, re-order or exchanged within any jurisdiction where same would constitute or imply any kind of regulated activity by the Company except pursuant to an exemption from, or in a transaction not subject to, all relevant regulatory requirements.

8. By accessing this document or otherwise seeking to purchase Tokens you are deemed to represent to the Company that you and any person you represent have complied with these restrictions and you will not provide this document to any person to whom delivery would be unlawful nor use it in connection with any action in any place where such action is not permitted by law. If you have gained access to this document contrary to any of these restrictions, you are not authorized and you cannot seek to nor in fact purchase, hold, or transfer Tokens.
9. The business of the Company is related to market and the product of a Company is market related product and all the returns is depend on the market up-down and therefore Company is not responsible for the returns. It is the business where the trading market is directly involve and it is like share market so all the profit and losses is depend on the market i.e. in this business high Volatile market risk is involve. (ALL PRICE IN DEPENDING ON MARKET SITUATION). Dealer shall not be responsible for any profit or losses. Crypto Currency is subject to market risk.
10. Investor shall gate a profit from their investments but it is the product which totally depends on the market ups and down so whatever is the benefit investor gate it is totally depends on the market. Company will not provide any guaranty for the investments because this business in totally depends on the market up and down so any benefit will depend on the market.
